O Canada!

During the month of February we had a group of 8 Canadian volunteers, who stayed at the school enjoyed the retreat program of Pranic yoga, Laughter yoga, cooking etc. Some of the members had volunteered at Tender heart previously and it was great to have them back with more friends and family.

Their enthusiasm and dedication had a great impact on the children and they are sorely missed. Come back soon!

School Shop

2 children from the special needs school have started selling snacks at break time to the rest of the school. The take up has been fantastic and it has been great for those involved to develop a multitude of skills, including English, maths and an insight into business skills.

Surajkund Fair

For the first two weeks of February the Empowering Women department had a stall at the Surajkund Crafts Mela.

This annual event has over 400 stalls showcasing handicraft and art products from around the world.

This is the fourth year we have had a stall at the fair and not surprisingly there was great interest in our product.

Sports Achievement

A team of 4 children from Tender Heart each received a cash amount of Rs 5000 for their sports achievement under the Special Olympics category held in Australia 2013 and USA 2015.

Huge congratulations to the medalists Vikram for table tennis, Utkarsh for Bocce, Deepak for hand ball and Sube for 1500 meters running. Well done boys

Holi. Of course March would not be March without a Holi celebration. Watch this space!

Thank You Donors

Rebecca Minnerva and Julie Craddock, from the UK, sponsored two children. Christopher Martin Chang and Susan Palmer sold Tender heart products in Canada. Sarah Johnson and her Mum sent school supplies from Australia.

Big thanks to you all! Without your ongoing support the children would not have this opportunity.

Volunteers and donations are always much appreciated. Tender Heart is the result of hard working individuals and their sheer determination to make a difference to the lives of others. Please contact us for more information if you would like to get involved.
